Dedication

We, the members of the Class of 2003, dedicate this edition of the *Tiot* to our Vice-principal, Mr. Joseph Katchpole. A graduate of Dedham High, he still holds the school records in the 300 yard dash (33.2) and in the 440 (50.2). He then moved on to Boston University and was a member of the record-holding 4x100 relay team. He first came to Norwood in 1967, joining the Physical Education department. He was named Physical Education Department Head in 1971, Acting Vice-principal in 1990 and Vice-principal in 1992.

Mr. Katchpole has always been involved with the athletes at Norwood High, especially the track programs. He has coached and mentored many students and has helped produce a superior program. As Vice-principal, he is more than Mr. Usevich's "right hand man". He is in charge of the scheduling process, he has worked to develop the extended learning time concept, and he is involved in the day-to-day activities that help create a positive climate at Norwood High School.

We now acknowledge this kind, caring, efficient and friendly man who has helped many of us during our four years at Norwood High.

Mr. Jack Cook

Mr. Cook was the Dean of the Class of 2003 for the first two years of our journey through Norwood High School. As freshman, we got to know Mr. Cook as both a math teacher and a dean. He helped to organize our first and only class field trip to "Glow Bowl." As Sophomores, he spent many hours organizing and planning our "Up All Night." In 2001, Mr. Cook was offered and accepted the position of Principal of Norwood Junior High School. The Class of 2003 will always be thankful to Mr. Cook for helping us through our first two years of high school.

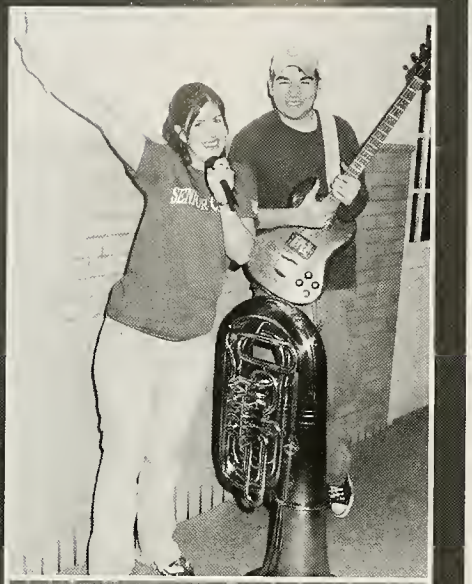

DEAN APPRECIATION

Mrs. Paula DeCoste

Mrs. DeCoste became Dean of our class at the start of our junior year. She helped to plan our semi-formal and prepared us for the months to come of filling out applications, getting recommendations, and choosing a college. During our senior year, she has planned the prom, the senior banquet, and graduation. Mrs. DeCoste has worked with the Senior Cabinet to maintain the school store and run a food drive. Over the past four years, she has influenced the Class of 2003 as a teacher, dean, and friend. She has helped us to enjoy our last two years of high school and prepared us for successful futures. We will never forget Mrs. DeCoste or the contributions she has made to the Class of 2003.

Thomas MacDonoug

Mr. Thomas MacDonough, a 1961 graduate of Georgeto University, joined the Social Studies department at Norwoo Senior High School in 1966. He moved up to be the Depar ment Head in 1990. In his professional life, Mr. MacDonou has received numerous fellowships to study abroad, been awarded a Fulbright Scholarship, and has been a leader of Massachusetts Council for Social Studies for many years.

In the classroom, Mr. MacDonough is known as a interes lecturer and a much-loved member of the faculty. His dry sense of humor, his obvious caring for all of his students ar his knowlege of his subject make him one of the most respected teachers at Norwood High.

We know Mr. MacDonough will enjoy his travel and great liesure time, and we wish him well.

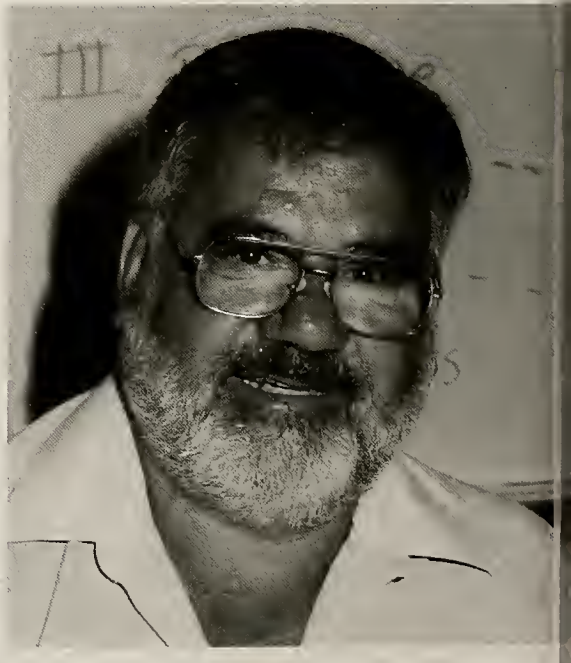

Henry Shachoy

Mr. Henry Shachoy arrived in Norwood at the Junior High School in 1971, having graduated from Fitchburg State in the Class of 1967. He was a member of the science department there, then moved up the Norwood High School in 1988.

His love of athletics is evident in the years and the energy that he has devoted to the track and the soccer teams he has been associated with. When his coaching ends, he will be missed by all, but thanked by a whole generation of athletes.

Mr. Shachoy's dedication to the younger members of the school and his attention to every individual member of his classes will be remembered, almost as long as his "rocket-launching" lab!

We wish Mr. Shachoy a long and happy retirement and are happy he is leaving his wife to continue to teach at Norwood High!

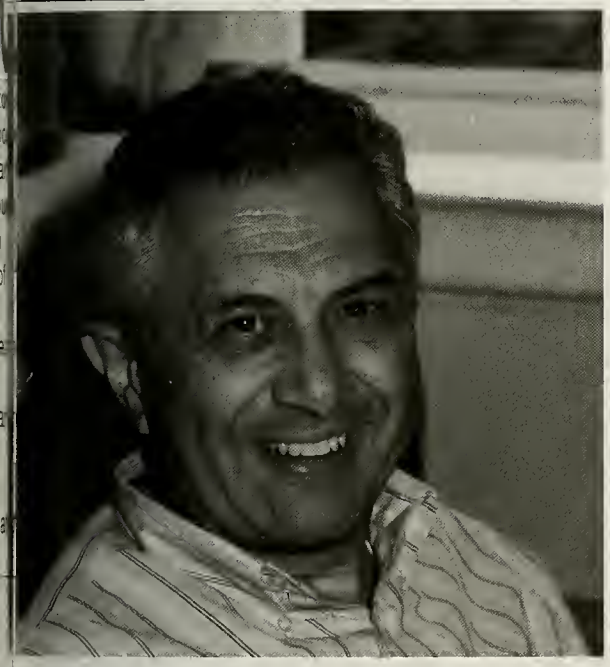

Michael Smeglin

Mr. Michael Smeglin is a graduate of Boston College that ned the Science Department in 1972. He has been involved in ny clubs and activities during his time here, particularly ademic Decathlon, Judo Club, and Amnesty International ub.

In the classroom, he has a teaching style that involves the udents in the learning process. He is friendly, knowlegeable d patient, qualities that have made him a very popular teacher er his long career. He has seen many changes in the teach- g of science and has adapted to all.

Mr. Smeglin has our best wishes as he leaves to persue other tivities and interests. His long line of former students will not get him.

Robert Grazado

Mr. Robert Grazado is also a graduate of Boston College who came to Norwood Senior High School in 1969, joining the Guidance Department. A former Biology teacher, he adapted quickly to the challenging role of guidance counselor and has kept up with the many changes in technologies during his 35 years.

Mr. Grazado's easy smile and his quiet competence has enamored him to his students. His interest in the individual and his attention to the many types of unique situations that come across his desk have made him a respected member of the Guidance staff.

He has worked many extra hours over the summers and now must be looking forward to a quiet retirement. We wish him well.

George Shelton

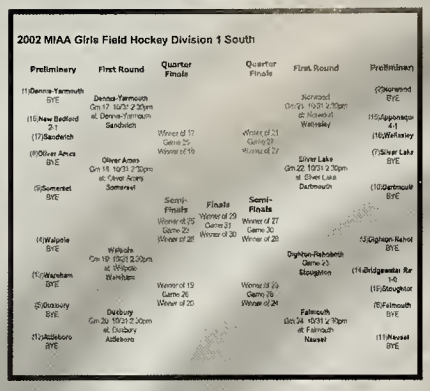

Mr. George Shelton also came to us from Fitchburg State, rriving at the Junior High School in 1968. He later made the ove "up the hill" to the Senior High School in 1988. He was ecently appointed Department Head in Industrial Arts in 2001.

His expertise and experience, along with his dedication to his ubject, has made him a repected member of the faculty. His air treatment of his students and his belief in every student's bility to learn has served him and the Industrial Arts depart- ent well. His quick, dry wit and his attention to detail will ertainly be missed in the "shop" area.

We wish Mr. Shelton the best of luck in his retirement and feel ertain that his love of restoring old cars will keep him very busy!

"Beds of Dreams"
~ Alex Cardinale '03

Beds of dreams
Seas' of lies
Caves of truth
Days of sapphire and ash gray skies
Feelings abroad
Images forged over the years
Lives of clashing natures
Constant streams of tears
Memories put into perspective
Reflections on regrets
Bleeding together
Never to forget
Exchange of stories
Exchange of words
Realizing what was heard
Nightmares and dreams
Stretching from end to ends
Immense devastations
But the ability to confide in friends
Blessings and curses
But followed by a lifetime of memories
Let the hate be laid down tonight to rest
Under the beds of dreams

THOUGHTS

Now On Our Own

By: Sarah Hill

As I look back on our own, I laugh and cry because now I fear
After June we are on our own, some traveling far, and some staying close to home
Where have our high school years gone?
It's now past time for Senior Prom
Memories made with friendships that won't die
My High School years are ones to remember,
Because I went to Norwood High.

This was gymnastics first year back at Norwood High and they faced a tough Bay State Conference. The team was led by captains Christine Partello and Sarah Lewis. Partello represented the team well with many first place finishes capping her junior year with an amazing season. All the girls on the team showed great spirit, dedication and hard work throughout the entire year. Everyone would like to thank their coach, Karen Olsen, for a great year and are looking forward to seeing the team grow next year. They would also like to wish their only senior, Gina Drugas, good luck in the future.

Firefighter's Prayer

by James J. Metcalfe

When I am called to duty, God
Whenever flames may rage,
Give me strength to save some life,
Whatever be its age.
Help me embrace a little child,
Before it is too late,
Or save an older person from
The horor of that fate.
Enable me to be alert,
And hear the weakest shout,
And efficiently,
To put the fire out.
I want to fill my calling and
To give the best in me
To guard my every neighbor and
Protect his property.
And if according to my fate
I am to lose my life,
Please bless with Your protecting hand,
My children and my wife.

"Always Have A Dream"

Forget about the days
when it's been cloudy,
but don't forget your hours in the sun.
Forget about the times
you've been defeated,
but don't forget the victories you've won.
Forget about mistakes
that you can't change now,
but don't forget the lessons that you've learned.
Forget about misfortunes
you've encountered,
but dont forget the times your luck has turned.
Forget about the days
when you've been lonely,
but don't forget the friendly smiles you've seen.
Forget about plans
that didn't seem to work out right,
but don't forget to always have a dream.

Article 6: The Class of 2003 leaves an honorary "Class Superlative" to Kristina Milonas, who actually thought that she had the Best Car and was the Class Clown.

Article 16: Jaime Loughlin leaves a legacy as the first girl spectator to be kicked out of a girls' basketball game.

Article 17: To the athletes in the classes to follow, we leave the challenge of beating our record of ten Herget titles.

Together, the Class of 2003 leaves with mixed emotions of happiness and tears with the optimism that our future years will bring as many happy memories as our four years here on "the Hill."
